SAVINGS

Regular Savings Accounts keep your money safe—earning dividends—and ready for use. Deposits made by the 10th of the month earn interest from the first.

Special Notice Accounts, designed for long-range savings, earn up to ½% more than regular savings accounts. Ninety days notice in writing is required for any withdrawal. Current and anticipated dividends are at the consistent yearly rate of 4½%.

Payroll Savings Accounts offer employees of any cooperating firm a voluntary, systematic savings plan by payroll deduction.

School Savings Accounts, for which this bank provides facilities, are a vital part of the thrift education program in most Springfield and Agawam schools.

Christmas, Vacation, and Special Purpose Clubs provide a systematic way to save with a handy coupon book to remind you. No charge for opening clubs, and completed clubs earn interest.
